

TRIUNE MANAGEMENT INC. CABINET WARRANTY

This warranty is limited to residential use of Triune Management Inc. cabinets. This warranty is not transferrable. Please be advised it is the responsibility of the installer and/or homeowner to inspect the product prior to installation. Damaged pieces should be set aside and pictures were taken of the damage. Pictures and the bill of sale to be forwarded to Triune Management Inc. within 48 hours of the date of purchase/delivery. Triune Management Inc. takes no responsibility for pieces that are/were damaged without the pictures and the bill of sale. Triune Management Inc. accepts no responsibility for costs of product or labor when pieces with visible defects have been installed.

Triune Management Inc. warranty covers, at the time of sale, the cabinets will be free from defects in material and manufacturing and conforms to Triune Management Inc. specifications for the product category.

If your product fails for any of the above-noted reasons, Triune Management Inc. will replace or repair, at its option, a portion or all of the cabinets at no cost to the original purchaser as long as the purchaser still owns the property where the cabinets were installed.

Triune Management Inc. warranty extends to cabinets maintained in Normal Environmental Conditions. (The heating and ventilation systems are maintained and the interior humidity levels are at a level between 30% and 50% with normal room temperatures between 15.5°C and 26.6°C (60°F and 80°F) year-round).

Not covered with this warranty:

Colour aberration of the cabinet doors and/or side panels is expected to not exceed 15%.

Cracking: The cracking of the surface of the cabinets is to be expected due to the nature of wood. Triune Management Inc. will define as a quality issue only when the cracking area is more than 1/8 of the total cabinet's surface.

Grain: Our cabinets are made of natural solid wood and, as a result, the grain of the cabinets, the density of the wood, and the consistency of the paint can vary from piece to piece.

Tolerance: Cabinets are expected to shrink, distort, crack, and/or bend in various circumstances due to the nature of wood products. Triune Management Inc. will define it as a quality issue if cracks and/or bends are over 1/8".

Improper installation/maintenance and failure to adhere to Triune Management Inc. installation and maintenance instructions.

Damage due to water and/or moisture including, but not limited to damage resulting from broken or leaking pipes, weather conditions, or natural disasters are all excluded from Triune Management Inc. warranty.

Insect infestations after the product leave our facility.

Abuse, neglect, abnormal use or misuse of solvents, corrosives or other chemicals, etc.

Improper cleaning or maintenance products

Triune Management Inc. offers on-site measurements in order to ensure all the dimensions provided by the customer are right. If the customer waives this measuring service, Triune Management Inc. will not be responsible for any error it might incur, such as cabinets that don't fit, plumbing/wiring which impede.
